Backup Checklist

Backup Checklist

The backup checklist is a checklist of the most common files/settings that clients want backed up. You would typically use this when their hard drive needs to be formatted. It also has a disclaimer waiving you from liability if anything they didnt mention they wanted backed up was lost.

Fillable pdf   Document   Classic

Computer Pickup

Computer Pickup

When you pick up a computer from your clients, get them to sign this form containing their contact details, usernames/passwords and any peripherals that have come into your possession. This form also outlines that you will charge a diagnostic fee if they do not wish to go ahead with repairs.

Fillable pdf   Document   Classic

Engagement Form (Business User)

Engagement Form (Business User)

The Engagement form is a signable document explaining the realities of computer repair to the client and has a disclaimer releasing you from any liability should any non backed-up data because lost.
